

## New NYSE Listing Manager Launches April 1, 2019

We are excited to announce the April 1, 2019 launch of the next phase of NYSE's Listing Manager. Now, Listing Manager users will be able to take advantage of new features, including the ability to:

- Update company officers, directors and contacts
- File annual and interim written affirmations
- Submit press releases and other timely disclosures
- Submit Supplemental Listing Applications (SLAPs)
- Report annual / special shareholder meeting dates
- Grant or remove access for users and manage entitlements
- Continue to report on cash dividends and other stock contributions

Listing Manager can be accessed at <https://listingmanager.nyse.com>.

A detailed FAQ and training videos are available [here](#).

### **IMPORTANT REMINDERS**

The NYSE's eGovDirect ("eGov") site will be decommissioned at 8:00 PM EST on Friday, March 29, 2019 in connection with the release of this phase of Listing Manager. Current users of eGov who **do not have** accounts on Listing Manager, will need to work with their Listing Manager administrator to obtain access to the new reporting portal.

The Distributions module will be down from 11:00 PM EST on Friday, March 29, 2019 through 8:00AM EST on April 1, 2019 while updates are being made to the site. Please use [dividend@nyse.com](mailto:dividend@nyse.com) to report distributions during this period.

If you have questions about the user registration process or how to access Listing Manager, please contact us at [ListingManager@nyse.com](mailto:ListingManager@nyse.com) or at 212-656-4651.

Sincerely,  
The NYSE Listing Manager Team
